TEAK WOOD FURNITURE

Teak wood furniture is furniture made from teak wood, a tropical hardwood that is known for its durability, strength, and natural resistance to rot, decay, and insects. Teak wood is commonly used in outdoor furniture due to its ability to withstand harsh weather conditions. Teak wood furniture can include a variety of items, such as outdoor dining sets, lounge chairs, benches, and tables

UPHOLSTERED

Upholstered furniture refers to furniture items that are covered in fabric or leather, with padding or cushioning added for comfort

WICKER

FURNITURE

Wicker furniture is lightweight and easy to move, making it a great option for outdoor use or for spaces that require frequent furniture rearranging

wicker furniture is a popular choice for those looking for comfortable and stylish outdoor furniture that is also eco-friendly and easy to care for. With proper care and maintenance, wicker furniture can last for many years and provide a comfortable and inviting space for relaxing and entertaining.

MAHARAJA FURNITURE

Maharaja furniture is a style of furniture that originated in the Indian subcontinent during the period of the Maharajas (kings and princes) in the 18th and 19th centuries. This furniture is known for its grandeur, intricate details, and use of high-quality materials such as solid wood, ivory, and gold.

VINTAGE & DISTRESSED FURNITURE

Vintage and distressed furniture are styles that have gained popularity in recent years, particularly in the realm of interior design. These styles are characterized by their aged appearance and rustic charm. Vintage furniture refers to furniture that is typically from a bygone era, typically from the 1920s to the 1970s, and is often characterized by unique designs and quality craftsmanship. Vintage furniture can be restored or left in its original condition, and can range from elegant and ornate to simple and functional.

GARDEN & OUTDOOR FURNITURE

Transform your outdoor space into a haven of relaxation and style with our exquisite garden and outdoor furniture.

Experience the beauty of nature in utmost comfort with our thoughtfully designed garden and outdoor furniture, blending natural aesthetics with functional design to create a seamless outdoor experience

outdoor furniture”

OUTDOOR FURNITURE

Outdoor furniture refers to any type of furniture that is designed for use outside, typically in gardens, patios, decks, or other outdoor living spaces. Outdoor furniture can be made from a variety of materials, including wood, metal, wicker, plastic, and even concrete

PERGOLAS

A pergola is a garden feature or outdoor structure that provides shade and shelter. They can be made from a variety of materials, including wood, metal, and vinyl. T

BAR & STORAGE

A bar and storage area is a space in a home or commercial setting that is designed for storing and serving beverages, as well as storing related barware and supplies. The bar area typically includes a countertop for preparing drinks, as well as storage space for glasses, bottles, and other barware
